## Outstanding Students Term 4

The following students were selected by their teachers as students who have produced work of a consistently high standard - to the best of their ability - and who have shown exemplary behaviour over term 4.

The Senior Outstanding Students are going bowling on Tuesday. I am unable to find a day that I can take the Junior Outstanding Students before the end of the year, because we are so busy. I will do their trip to Junglerama early in term 1.
